

# WISS & Company, LLP Winter Shadowing Program

January 6, 2010 - January 7, 2010

WISS & Company's Winter Shadowing Program is a two-day event offered to junior accounting students looking to enrich their knowledge in the field.

This program is designed to integrate accounting students with experienced WISS professionals, giving them direct exposure to public accounting through job shadowing and networking. WISS team members will educate students on the different opportunities that exist in the public accounting industry.

Students will be exposed to the business world through interaction with clients and firm management. Students will also have the opportunity to receive advice on career planning, interviewing, job searches, and resume writing skills.

LIVINGSTON • ISELIN • NEW YORK
