### Accomplishments

Bob was invited as a guest speaker on various conferences for Internal Tech Leaders.

Bob is the Director of **Technology Advisory Services** at Wiss & Company, LLP. He has demonstrated success leading and transforming growth oriented organizations. Bob has a track record of strategic business decisions, system implementations and aligning Information Technology with organizational goals enabling immediate savings with long term profitable growth.

He takes pride in being an agent of change with diverse expertise and a history of delivering high impact projects providing exceptional business value. Previously, he has directed IT organizations up to 30 people and managed budgets greater than \$10m. Bob displays significant leadership experience in contract management, team building, system implementations (Accounting, ERP, Real Estate), business process outsourcing and cloud migration strategies.

In conjunction with WissTech and WissCFO Advisory services Wiss provides a complete Advisory platform to help our clients succeed and grow.
