

Timothy Kennedy, CPA
Manager
tkennedy@wiss.com
973-994-9400

Accomplishments

Tim focuses on developing and maintaining long term client relationships. Tim is active in the mentor program and takes pride in seeing his mentors succeed within the firm. Tim is active in the Essex County, NJ community and often attends local events such as 5 & 10ks, fall festivals and summer activities.

Tim is a Manager at Wiss & Company, LLP with over eight years of experience in public accounting. He has focused his career on audit and accounting services to privately-held businesses in the **Construction and Not-for-Profit** industries.

As a Manager, his day-to-day responsibilities include identifying and providing guidance on business, audit and accounting issues encountered on an engagement, managing an engagement team from planning through report finalization, communicating with clients, and providing educational presentations for both external and internal purposes.

Tim makes it a priority to build strong client relationships, provide excellent client service, and ensure audit efficiency.

Education

BS – Accounting from Montclair State University
